---

## Experience

Sought Telecom  
Project Coordinator  
August 2015 - October 2020 (5 years 3 months)  
Punjab, India

Gathered requirements for ongoing projects and organized details for management use.

- Built strong relationships with internal and external stakeholders and devised strategies, initiatives, and events promoting products and services.
- Maintained project schedules by managing timelines and making proactive adjustments.
- Analyzed and verified all energy savings calculations to promote environmental sustainability and energy conservation.
- Planned and arranged meetings with external organizations and individuals, enabling all parties to meet and discuss project progress.
- Supervised multiple projects from project start through delivery by prioritizing needs and delegating assignments.
